ABOUT US

We are Specialize in Sourcing Sustainable Products.

JNC started its sourcing operations in 2018 in Bangladesh, serving as a trusted buying bridge between global buyers/importers and reliable garment manufacturers/exporters. We specialize in sourcing ready-made garments (RMG), textiles, and apparel stock lots from Bangladesh, one of the world's leading apparel manufacturing hubs.

With strong partnerships across Bangladesh's renowned garment factories, JNC ensures smooth production management through strict order follow-up, quality assurance, standard inspections, and timely delivery. Our experienced global merchandising team works closely with both buyers and manufacturers to maintain transparency, efficiency, and high production standards throughout the entire process. At JNC, we are committed to providing efficient sourcing solutions and dependable service, making us a trusted partner for apparel sourcing from Bangladesh.
